

We need YOUR help!

The UKNWSN began in 1993 and relies TOTALLY on voluntary contributions to keep up its campaigning work!

We work on a shoestring budget. ALL the contributions we receive are ploughed back directly into the work of the Network to fund our vital activities.

If you can't contribute your time to help the Network, then why not send us a donation to help further the valuable work of the UKNWSN?

All donations can be acknowledged on the website on our sponsorship page! Please use the form overleaf.
